

Apartment Reservation Form

The LanePark Senior Living Community is now accepting deposits to reserve units. By reserving now individuals will have a better selection of the model they desire, as the date of the deposit determines the order of apartment selection. The deposit for a unit is \$250.00 and is fully refundable at any time. To be fair, we will be reserving the units on a first come first served basis only. To reserve an apartment, this form must be filled out and returned along with the deposit amount.
